Thank you for your request dated 24 June 2024.

We can confirm that the ICB does hold the information you requested.

Please find our response to your questions below:

Under the Freedom of Information Act 2000, please could you provide the following information:

- The name and contact e-mail address of the person responsible for Women's Health.

Sarah O'Brien - sarah.obrien19@nhs.net

- Whether your ICB funds a menopause specialist clinic in your area.

Menopause care is funded via 4 acute NHS Trusts

- Whether your ICB funds menopause clinics in Primary Care.

There is no targeted funding or enhanced payment for menopause clinics in Primary care. However ICB commissions primary care services to deliver a range of health services, such as general consultation which may include menopause care.
