Min Ref	Action	Owner	Status	Progress Update
2 November 2022				
57/22	<p>Patient Story / Citizens Voice To invite representatives from North West Ambulance Service (NWAS) to a future ICB Board meeting to present an update.</p>	Kevin Lavery	Propose to close	<p>To be submitted to the Quality Committee in September 2023:</p> <ul style="list-style-type: none"> • Risk of Ambulance handover delays on patient safety • Findings and recommendations from the Manchester Arena Bombing.
29 March 2023				
23/23	<p>Research and Innovation - The State of Our System Report It was suggested that research and innovation was underplayed in the report and that a highly innovative system would attract talent. Ongoing work around the need for research to underpin the work of the ICB would be brought back to the Board in the future.</p>	S O'Brien	Open	Paper to be submitted to the September Board meeting.
3 May 2023				
41/23	<p>Access to Dental Services Matter to be taken through the Quality Committee and an update provided to the Board in due course.</p>	S O'Brien/ D Levy	Propose to close	Included on the June meeting of the Quality Committee and an update would be provided at the July meeting of the Board via the committee escalation report.

Lancashire and South Cumbria Integrated Care Board– Action Log (Updated May 2023)

Min Ref	Action	Owner	Status	Progress Update
42/23	<p>Patient Story/Citizen’s Voice Actions to be taken forward relating to early diagnosis, use of technology, incontinence service and support, out of hospital support and best practice around memory assessment clinics which would be part of the community health services transformation.</p>	S O’Brien	Propose to close	Themes that will be captured as part of the community services transformation work through the three programmes.
51/23	<p>Integrated Performance Report Cancer diagnostics and any KPIs not included in the report to be discussed in more detail at the next Finance and Performance Committee.</p>	M Oldham	Open	The Cancer Alliance has been asked to undertake a piece of work in order that we can better understand capacity and diagnostic cancer waits. An update will be provided to members of the Finance and Performance Committee when the work has been completed.
