Q1	Your Question: Ormskirk is a university town and also a town to many schools however, the sexual health clinic is only open on thursdays usually during work hours making it inaccessible for most vulnerable people to access it. Furthermore the website also informed that it will be closed for 8 weeks. Why is the ormskirk sexual health closed? And why does it get reduced funding to not be open 5 days a week?
	Our Response: NHS Lancashire and South Cumbria ICB do not hold this information, as Sexual Health services are commissioned by Lancashire County Council. You may wish to redirect your request to them via the link below as they may hold the information you require. https://www.lancashire.gov.uk/council/transparency/access-to-information/access-information-held-by-the-county-council/
