Dear

Re: Your request for information under the Freedom of Information Act 2000
Ref no: FOI-3449-LSC

Thank you for your request dated 15 August 2023.

We can confirm that the ICB does hold the information you requested.

Please find our response to your questions below:

1. What contracts have been awarded by your ICB for:

- ADHD assessments
- ADHD treatment

As I am aware some external organisations diagnose but do not treat ADHD and so it is important to differentiate between providers. And for these organisations to be separated into those that provide services for children and adults.

This request is not seeking any patient numbers referred to the service, nor is it looking for contract values, merely the names the organisation have active ADHD contracts and the therefore the start and projected end date of these contracts.

Children

For the following providers, ADHD treatment is part of the Child and Adolescent Mental Health Services, and we are unable to separate specific to ADHD:

Blackpool Teaching Hospitals NHS Foundation Trust (BTH)

- Blackpool Only
- Recurrent block contract renewed yearly

Lancashire and South Cumbria NHS Foundation Trust (LSCFT)

- Fylde & Wyre, Chorley and parts of South Ribble, West Lancashire, Morecambe Bay
- Recurrent block contract renewed yearly

Lancashire Teaching Hospitals NHS Foundation Trust (LTHTr)

- Preston, parts of South Ribble

- Recurrent block contract renewed yearly

East Lancashire Hospitals Trust (ELHT)

- Pennine

- Recurrent block contract renewed yearly

Adults

Adult ADHD services within Lancashire and South Cumbria, for all areas other than Blackpool, are provided by Modality Haydock Medical.

Blackpool services are commissioned to Blackpool Teaching Hospitals NHS Foundation Trust (BTH) on a block contract basis, renewed annually.

The contract began with Lancashire and South Cumbria ICB when transferring over from CCGs on 1st August 2022.

The following provider no longer provides assessments, but maintains responsibility for the treatment of some patients:

- **Psychiatry UK (For Adult only)**
